Lost Property: Any unnamed remaining lost property will be donated to charity.

Ongoing Projects : Details of our next project are advertised in the sealed display units outside the Main Entrance Door. As you can see we have already started to replace the flooring in the area outside the office, our plans are to finish block paving this area and purchase some Maths & Literacy Cabins to safely house some new resources for these areas. If you would like to discuss or have any ideas about how we can invest any spare funds back into the Nursery please discuss with Katie.
