Explorers

We have really enjoyed our people in the community and superhero theme. We have been on lots of adventures, to the library the Hub, charity shop and the co-op.

We have loved dressing up and role playing as vets. We especially loved our dentist tuff spot where we practiced brushing teeth, squeezing out all the toothpaste – it got our hands really sticky!

Themes:

Our upcoming themes are: Food & Cuisines, British Values, Rainforests and celebrations of St. George's Day and the Queen's birthday.

Kids Club

Kids Club have been relaxing and taking advantage of the beautiful weather we've had recently!

Adventurers & Conquerors

Superheroes have been helping us to write our names and our spring theme has found us using the bees to help our counting skills.

Like the Explorers we have also been exploring teeth and practicing cleaning our 'fake' teeth.

Our cosy corner had temporarily changed into a huge mouth complete with 'milk bottle' teeth!

Focus on Home Learning – Going to the Supermarket.

The supermarket provides great opportunities to look at different produce, chat about where food comes from along with lots of numeracy and literacy opportunities too. Children will often replicate such experiences in their role play.

- Plan the best time to go where possible, try to avoid when your child (or you) are hungry.
- Talk to your child before about the trip in case of any anxieties.
- Make a check list of what you will need for the trip, e.g. bags, list, money.
- Discuss expected behaviour.
