Explorers

We joined the Pre-Schoolers on a walk to feed the ducks but lots of pigeons came to eat instead!

We've had lots of fun getting messy mark making with our vehicles.

We also celebrated Eid, practising our fine motor control in holding the paintbrushes and glue sticks and using our fingers to add some glitter sparkles!

Woodside @ the Pavilion

Its so lovely to be back at the Pavilion – we have been making the most of the lovely weather we had (before the coldness of late!) – we've been in the park, climbing trees and looking at the things we find in the woods.

We are working towards our Gold Tree Award status and we hope our trip and our work will gain us the Gold Award – watch this space!

Kids Club

We've spent most mornings outside making the most of the lovely weather. We've been really good at lining up in the right queue for our classes and patiently waiting for our bus to cross the busy roadworks at Holdingham roundabout!

Welcome!

We've had so many new faces join us lately – a great big welcome to you all – its lovely to see so many of you!

Adventurers & Conquerors

We have been out and about recently – we had a walk to the bridge to see all the construction vehicles at the roundabout.

We have been decorating biscuits to practice our pouring skills.

After a trip to feed to ducks & pigeons we made some paper plate chicks!

We've also been building sandcastles in our sand pit area and using this to discuss the idea of big and little.
